## Customer Service

“Everyone” has great customer service today, but at Trident we actually listen to your needs and design your drug free workplace program to mirror those needs. We pride ourselves on exceeding your expectations and we keep our promise. There are many choices to make when implementing a drug testing program. You need a professional that has the experience and knowledge to make it easy. We Can Help!

- Substance Abuse Policy Development
- Assistance with program implementation
- Drug Testing options with your company in mind
- Quick results that won't hold you up
- Result transmission options; email, web site, or fax
- Customer service representatives that answer the phones directly
- Specimen tracking· Medical review that takes the burden off your shoulders

We work hard to provide the tools you need and the service you deserve!

[Contact us](#) to see why large and small employers routinely choose us over the national drug testing firms.
